## DESCRIPTION OF THE EVENT

Concert for the Cause is a high-energy, casual fundraising event, hosted by a dedicated committee of Louisville locals who all share a passion for helping children with cancer. 100% of the proceeds will benefit Kids Cancer Alliance and their programs for kids with cancer and their families. The event raised over \$675,000 (net) for local children with cancer last year and, with your help, it can make an even bigger impact in 2023!

The 2023 event will be held at the Louisville Marriott Downtown and will feature entertainment by Chris Ferrara and The Common Good Band. Guests will be able to take part in a live and silent auction with one-of-a-kind packages and prizes. The event also features a delicious dinner, an open bar, and more! This special evening gives our supporters and sponsor partners a chance to come together to make a difference in the lives of children with cancer and their families.
